Cabinet with lock

STRING FURNITURE

Cabinet with lock is available in one width, 78 cm, one depth, 32 cm, and one height, 52 cm. Combine it with floor panels from the String® System to create an optimal solution for your workspace, where you can store all your binders, cables, papers, and similar items. The doors are equipped with push-open fittings, and the right-hand door is lockable (two keys included). The inner dimensions of the cabinet are: w74 x d29 x h47 cm, and it has two inner shelves that can be adjusted to any height.

Care and maintenance

Wipe the surface with a clean cloth made of non-abrasive material. Damp wipe with mild cleanser solution (pH-neutral 7-8). You can also make a cleanser of dishwashing liquid and lukewarm water. Make sure to put the cleanser on the cloth and not on the furniture surface, and do not leave the cleanser on the surface. Wipe the surface with the solution, then with pure water and finally with a dry cloth. Do not use ammonia or any hard cleansers since this can cause the veneer to come loose, or dissolve the lacquer. Veneer with a thin lacquer or stained layer surface is to be wiped in the direction of the fibre with a dry cloth. Use furniture care resources without silicone, since it complicates the possibilities for future repainting.

Warranty

String Furniture warrants that this product is free from defects in materials and workmanship for a period of two (2) years from the date of purchase. Please contact us for more information about our warranties.

Recyclability

The shelf brackets are molded from zinc containing 60% recycled material and are recyclable., The particleboard used in this product is made from 100% recycled material and forms the core of most of our veneered products. The material is recyclable.
