

Bowl shelf

STRING FURNITURE

The bowl shelf is available in one width, 78 cm, and one depth, 30 cm. The bowl shelf fits into all 30 cm deep wire and plex panels from String® System. By adding a bowl shelf to your shelving combination, you instantly add a given spot for all those things you do not really know where to place. The bowl shelf will help you to keep order in both your hallway and kitchen. The internal dimensions for each bowl (three in total) are: w19 x d22 x h9 cm. Each packaging contains one bowl shelf and a frame along with brackets.

About the designer

Architect and designer Anna von Schewen is considered one of Swedens most progressive and experimental designers. She has together with her partner Björn Dahlström designed several products for String Furniture. Björn Dahlström is also a well-established Swedish industrial designer. He is represented in various museums around the world, including the national Museum for Art, Architecture and Design in Oslo, The Museum of Design & Craft (The Röhsska Museum) in Gothenburg and Victoria & Albert Museum in London.
