

Cabinet with swing door

STRING FURNITURE

The cabinet with swing door is available in one width, 58 cm, and one depth, 30 cm. The cabinet fits together with all 30 cm deep wire and plex panels from String® System. It is visually pleasing to add a bolder element to your shelf, like a cabinet, which also give you a lot of extra storage. The door can be mounted on either side of the cabinet. The cabinet consists of one adjustable inner shelf and the internal dimensions are: w54 x d26 x h38 cm. The cabinet is delivered unassembled.

Care and maintenance

Wipe the surface with a clean cloth made of non-abrasive material. Damp wipe with mild cleanser solution (pH-neutral 7-8). You can also make a cleanser of dishwashing liquid and lukewarm water. Make sure to put the cleanser on the cloth and not on the furniture surface, and do not leave the cleanser on the surface. Wipe the surface with the solution, then with pure water and finally with a dry cloth. Do not use ammonia or any hard cleansers since this can cause the veneer to come loose, or dissolve the lacquer. Veneer with a thin lacquer or stained layer surface is to be wiped in the direction of the fibre with a dry cloth. Use furniture care resources without silicone, since it complicates the possibilities for future repainting.

Warranty

String Furniture warrants that this product is free from defects in materials and workmanship for a period of two (2) years from the date of purchase. Please contact us for more information about our warranties.

Recyclability

The shelf brackets are molded from zinc containing 60% recycled material and are recyclable., MDF forms the core of most of our lacquered products and is recyclable.
