

Wire screen

STRING FURNITURE

The wire screen from Works™ is equally well suited as a divider between workstations as a bulletin board. Hang your organizers from String® System or s-hooks to increase functionality. You can create further isolated workstation by adding a fabric sleeve to your wire screen. The fabric sleeve is sound absorbing which is well suited for an open office landscape. The wire screen is mounted onto work desks from Works™.

About the designer

Architect and designer Anna von Schewen is considered one of Swedens most progressive and experimental designers. She has together with her partner Björn Dahlström designed several products for String Furniture. Björn Dahlström is also a well-established Swedish industrial designer. He is represented in various museums around the world, including the national Museum for Art, Architecture and Design in Oslo, The Museum of Design & Craft (The Röhsska Museum) in Gothenburg and Victoria & Albert Museum in London.
