Hook

STRING FURNITURE

The J hooks are created to optimize a shelving combination and fit together with the metal and galvanized shelves. The J-hooks help you to keep your outerwear and backpack in order, or why not use them to display something more decorative like a hanging pot. Each packaging contains 5 J-hooks.

About the designer

Architect and designer Anna von Schewen is considered one of Swedens most progressive and experimental designers. She has together with her partner Björn Dahlström designed several products for String Furniture. Björn Dahlström is also a well-established Swedish industrial designer. He is represented in various museums around the world, including the national Museum for Art, Architecture and Design in Oslo, The Museum of Design & Craft (The Röhsska Museum) in Gothenburg and Victoria & Albert Museum in London.
