

Organiser

STRING FURNITURE

The organisers are part of our range of accessories. The organisers fit together with 30 cm deep wire panels from String® System and the wire screen from Works™. Let the organisers spark your creativity and keep your pens in one of them, rulers in the other and why not plant something in the third. They are also a great help in the kitchen since they can store your kitchen utensils. The organisers are made of biocomposite material containing 40% wood fibres. Each packaging contains three organisers in the following sizes: (1) w9 x d7 x h12 cm (2) w20 x d8 x h8 cm (3) w12 x d7,5 x h8 cm.

About the designer

Architect and designer Anna von Schewen is considered one of Swedens most progressive and experimental designers. She has together with her partner Björn Dahlström designed several products for String Furniture. Björn Dahlström is also a well-established Swedish industrial designer. He is represented in various museums around the world, including the national Museum for Art, Architecture and Design in Oslo, The Museum of Design & Craft (The Röhsska Museum) in Gothenburg and Victoria & Albert Museum in London.
