

Magazine holder

STRING
FURNITURE

The magazine holder fits together with 20 and 30 cm deep wire panels from String® System. The magazine holder is design to increase functionality and to inspire new and creative storage solutions. Add it to your kitchen shelf to keep your food magazines in one place or add it to your living room combination to always have close proximity to your book when relaxing in your reading corner.

About the designer

Architect and designer Anna von Schewen is considered one of Sweden's most progressive and experimental designers. She has together with her partner Björn Dahlström designed several products for String Furniture. Björn Dahlström is also a well-established Swedish industrial designer. He is represented in various museums around the world, including the national Museum for Art, Architecture and Design in Oslo, The Museum of Design & Craft (The Röhsska Museum) in Gothenburg and Victoria & Albert Museum in London.
