

Vertical hook

STRING FURNITURE

The vertical hook is designed to fit the back panel to optimize the free standing outdoor shelf. The hook helps you keep track of garden tools, barbecue tools and other items used in relation to outdoor activities. The hook is available in one size with dimensions: height 10 cm and depth 3.5 cm (when the hook is mounted on the back panel). The hook is made of stainless steel and can withstand all types of weather. Each package contains 4 hooks.

About the designer

Architect and designer Anna von Schewen is considered one of Swedens most progressive and experimental designers. She has together with her partner Björn Dahlström designed several products for String Furniture. Björn Dahlström is also a well-established Swedish industrial designer. He is represented in various museums around the world, including the national Museum for Art, Architecture and Design in Oslo, The Museum of Design & Craft (The Röhsska Museum) in Gothenburg and Victoria & Albert Museum in London.
